1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for all parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010

Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include age, sex, sexual orientation, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Make sure that our uniform costs the same for all pupils.
- Allow all pupils to style their hair in a way that is appropriate for school and makes them feel most comfortable.
- Students may wear religious clothing and jewellery where it is a recognised requirement or significant expression of their faith, provided it is worn safely and does not compromise health, safety, or learning activities.
- Allow for reasonable adjustments to uniform for students with a disability. Allow for reasonable adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the Head of Year who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis.

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform. We have benchmarked the financial costs in relation to uniform expectations at TGGS against the costs of neighbouring schools and found ours to be in line with others.

We recognise that the cost of uniform can put pressure on some families and consequently have taken measures to reduce this. Our PTA look for opportunities to hold sales of quality, second-hand uniform alongside school open events.

We understand that items with distinctive characteristics (such as branded items, or items that need to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' and carers ability to 'shop around' for the best price. For this reason our uniform list shows several of these items as 'optional' rather than 'compulsory'. The non-branded items are mostly provided by Banner, a leading national schoolwear provider. Blouses are supplied by Trutex. These are available to purchase from a local school wear supplier (Riviera Schooldays) or online from multiple retailers. We have tested the prices charged by the local supplier to those online and are confident that the local supplier offers competitive pricing.

We will make sure our uniform:

- Is available at a reasonable cost

- Provides the best value for money for parents/carers

We will do this by:

- Following the statutory limits for compulsory branded items of uniform and PE kit to a maximum of 3 or fewer items.
- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible for example, by only asking that the blazer and jumper features the school logo.
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller.
- Avoiding different uniform requirements for different year/class/house groups.
- Avoiding different uniform requirements for extra-curricular activities.
- Making sure that arrangements are in place for parents and carers of both current and prospective pupils to acquire second-hand uniform items and publishing this information on our website.
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes.
- Consulting with parents/carers and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about uniform in line with the school's complaints policy.
- Considering alternative approaches, including loaning compulsory branded items such as sports kit for competitions.
- Avoiding single-supplier contracts, to make sure generic items can be purchased from a range of retailers.
- Continuing to review this policy, to ensure the cost of our uniform is reasonable and provides the best value for money.

Parents/carers are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner in accordance with the school's complaints policy.

Disputes about the cost of the school uniform will be:

- Dealt with in accordance with our school's complaints policy

The school will work closely with parents/carers to arrive at a mutually acceptable outcome.

5.3 Staff

Staff will closely monitor pupils to make sure they are in the correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply but will follow up if the situation doesn't improve.

Ongoing breaches of our uniform policy will be followed up in accordance with the school's behaviour policy.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation and the pupil will not miss classroom teaching because of a sanction. This is in line with the statutory [guidance](#).

The trustees will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier.
