

Geography A Level Transition Work

There are two guides for A level geography. The first one suggests a whole host of ideas for extra reading and preparation. You will in fact use this throughout your A Level. The second guide has specific tasks and you should plan to do at least one of these tasks if you are thinking of doing A Level Geography.

[A Level Geography - The Definitive Guide 2022 - Part 1](#)

[A Level Geography - Specific Tasks - Part 2](#)

These are both attached as a PDF on the Y12 Transition Work page.

Please contact Mrs Gardner if you have any questions either through Teams or email: ngardner@tggsacademy.org
