# What is Class Charts for parents?

You will now be able to use Class Charts to keep track of your child's [behaviour](#), access their weekly [timetable](#) and track scheduled [detentions](#). There are other functions available to use including attendance monitoring and homework that we are currently looking into and will let you know if and when we move forward with these.

If you have more than one child, you can access Class Charts information about your children from a single, centralised parent account.

Class Charts for parents can be accessed via our [website](#), or through our [iOS](#) and [Android](#) apps.

You should have received a [Parent code](#) from your school, which will look similar to the example code shown on the right.

This code is used to set up your [Class Charts parent account](#), which is covered on the next page.

# Signing up to Class Charts

1. Select [Sign up](#) from the main page and fill in the form provided. Enter your [parent code](#) into the [Access code](#) field.

**Please note:** Your Access Code [is not](#) the same as your password. The access code is only needed for the initial sign up.

4. A [confirmation message](#) will appear, indicating that the sign up process is complete. [Verify](#) your email address to continue.

# Behaviour

If your school has decided to share behaviour information with parents, you will see the [Behaviour](#) tab when viewing pupils from that school.

Selecting this tab will display multiple graphs which represent an overview of your child's [achievement](#) and [behaviour](#) data within a [customisable timeframe](#).

By default, the displayed date range is [31 days](#). To view a different range of behaviour data, click on the [Date](#) button to select from the available presets or create your own custom date range.

# Detentions

If your school has decided to share detention information with parents, you will see the [Detentions](#) tab when viewing pupils from that school.

Selecting this tab will display a list of [detentions](#) which have been set for your child

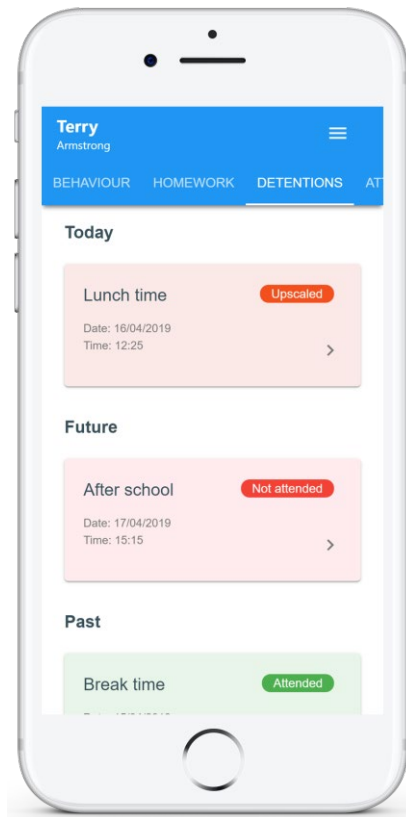

Detentions fall under 4 categories: [Attended](#), [Not attended](#), [Pending](#) and [Upscaled](#).

**Attended:** Your child has sat this detention.

**Not attended:** Your child did not sit this detention.

**Pending:** This detention has not been sat yet.

**Upscaled:** Your child's detention has been escalated into another type of detention.

To view more information about a specific detention, click on the [arrow](#) icon.

This will bring up a popup that describes the detention, including the [location](#) for the detention, the awarding [teacher](#) and [scheduling information](#).

has been [acknowledged](#) by a teacher.

# Timetable

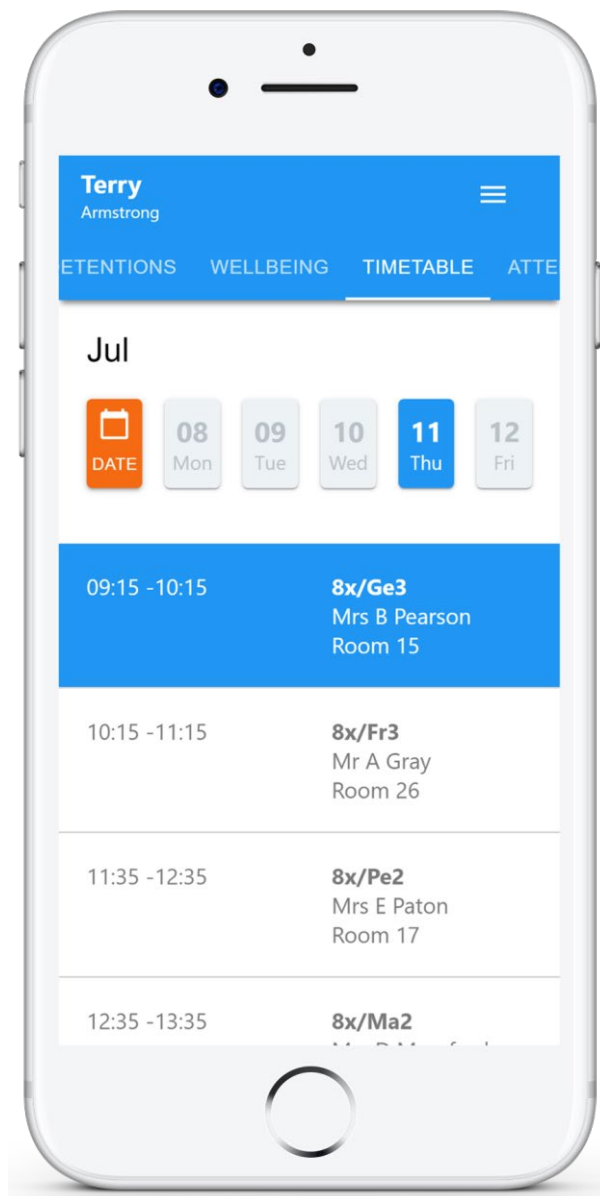

If your school has decided to share timetable data with parents, you will see the [Timetable](#) tab when viewing pupils from that school.

Selecting this tab will present you with your child's [timetable](#) for the current day. This includes the [time](#) of each lesson, the [lesson name](#), the [teacher's name](#) and the [room](#) where the lesson will take place.

Your child's current lesson will be highlighted in [blue](#), as shown on the right.

To view timetable data for another day of the week, click on one of the other [displayed dates](#) along the top of the timetable.

To change the displayed week, click on the [Date](#) button and select a date from the week of your choice.

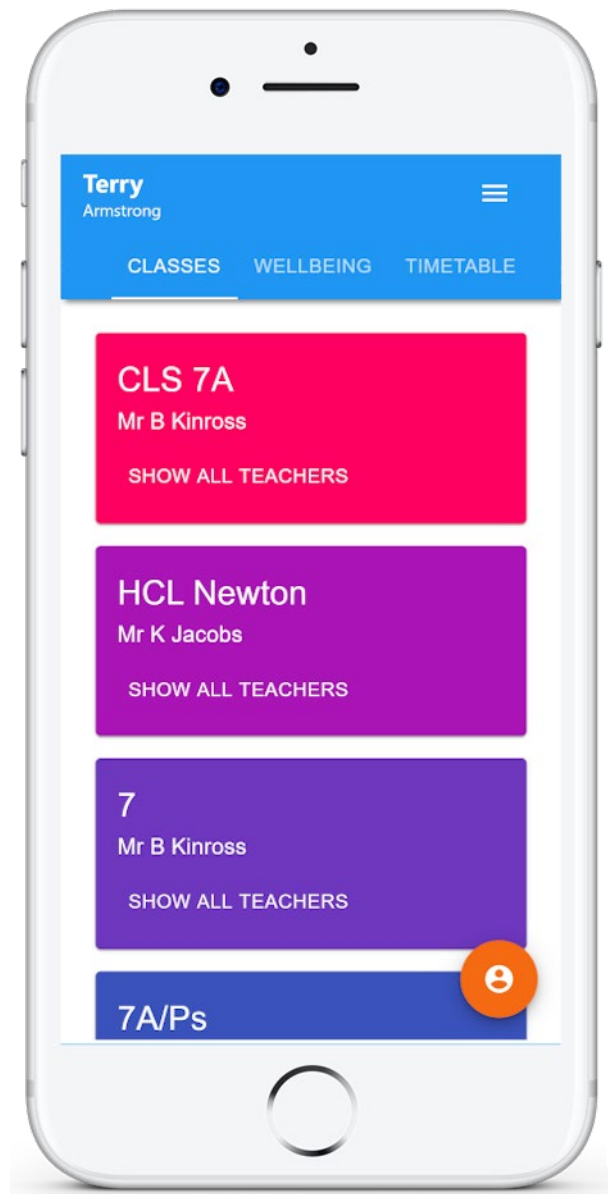

# Classes

If your school has decided to share class data with parents, you will see the [Classes](#) tab when viewing pupils from that school.

Selecting this tab will present you with a list of your pupil's [classes](#). Each class tile will display the class [name](#), the class [teacher](#), the [subject](#) and the [room](#) the class takes place in (if applicable).

To view the full list of teachers for a specific class, click on the [Show all teachers](#) button for the class of your choice.

# Logging in to Class Charts

Once you have signed up to Class Charts, you can log back into your parent account at any time.
