04 October 2017

Dear Parents

We have just completed a weekend of Centenary celebrations.

Last Friday, the girls kept the tradition of a Grand Picnic alive, despite the chilly weather. Pictures of this will appear on the website shortly as will the video of the whole school singing 'Proud.' The girls completed their time capsule contributions which will be buried this week, not to be re-opened until 2065. The effort the girls put into their freezer bags was remarkable.

The Saturday celebrations were fabulous and attended by over 400 old girls from all previous decades back to the 30's. They were amazing women and considerably more rowdy and feisty than anticipated! It was a joyous and fun afternoon.

The tidal wave of affection for their school was immense. Some brilliant stories, emotional memories and funny anecdotes. Many fulsome and serious compliments for the school. The new amphitheatre was opened, along with the archive corridor, you are most welcome to view these next time you are in school. The engraved bricks looked splendid and can still be purchased via the Centenary page on our website. Details of our third legacy project 'The Vestibule Refurbishment' project can also be found there.

The Herald Express will run a report on the event in Thursday's paper followed by an 8-page centenary pull-out the week after. You can already access some pictures on their website.

The first hundred years have been great, we shall now get started on the next hundred.

Yours sincerely

Dr Nicholas Smith
Headteacher
