

Curriculum Aims Statement

Approved January 2017

Review Autumn 2020

This policy is designed to show the purpose of the curriculum which the school will deliver.

Rationale

The school aims are to ensure that students leaving the school have received the highest standard of education which can be provided

Aims

The school will:

- Meet the requirements of the DfE;
- Maintain an appropriate and balanced curriculum appropriate to the needs and abilities of the students.

Strategy

- The Headteacher will inform the governors of all changes in the requirements of the Curriculum from the DfE;
- Assessment and recording of pupils' progress will meet legal requirements;
- The school will adopt a consistent approach to recording and reporting of student progress;
- Curriculum time will be allocated between subjects so as to allow equal access to all areas of the curriculum for students as far as is possible.
